

## 2020 Legislative Reception

For staff, board, constituents/clients, family members, and volunteers of member agencies of the Human Service Forum, Hampshire Council of Social Agencies (COSA) & Franklin County Resource Network (FCRN).

- **Join your colleagues, clients and community members** as we engage with our state legislators at the annual HSF Legislative Reception.
- This **unique event** allows you to share a table with one of the western Massachusetts Representatives or Senators and speak directly with them on topics that are important to you.
- **You and your concerns matter** – raise your voice and your issue - Legislators want and need to hear from you.
- Don't sit this one out – **engage your voice** and you can impact policy decisions!
- **Share your story** – let your representative know what policies and laws actually look like in action, in our families and our communities.
